Dear Professor Simon,

Thank you very much for your letter of 19 November regarding the payment for your expenses to deliver the Turing Institute Memorial Lecture. The original agreement was, indeed, as you suggested. However, since you did not have another assignment in October, and since we had sufficient funds from SWIFT, the sponsors of the Lecture, to cover your expenses it was agreed that we should reimburse your full expenses.

I am sorry I did not make this clear in my original letter and I would like to thank you for pointing this out. Please go ahead and deposit the cheque and thank you again for presenting the Lecture.

Yours sincerely
