Dear Binky:

It was most thoughtful of you to write after our visit at the Philadelphia Stock Exchange. Moreover, I am intrigued by your offer of possible resource people to assist me in my work, particularly on the Banking Committee. It would be most helpful if you could indicate who some of these contacts are together with their particular areas of expertise.

Congress is frequently accused of legislating in the dark, and I enthusiastically welcome anyone who can help shed light on our activities!

With warmest regards,

Sincerely,

John Heinz
